

PROHIBITED ACTIVITIES

To ensure the safety of our matches, and in keeping with best practices of child mentoring, there are some activities that BBBS of NYC does not allow. They include but are not limited to:

1. Trampoline parks
2. Body piercing
3. Bungee jumping
4. Hang Gliding
5. Axe Throwing
6. Hot Air Ballooning
7. Kayaking
8. Motorcycle riding
9. Mountain Climbing
10. Parachuting
11. Parasailing
12. Racing using a land vehicle, aircraft, or watercraft
13. Scuba Diving
14. Sky Diving
15. Stage Diving
16. Tattooing
17. Horseback riding

Additionally, activities that require parental signature on a waiver form **must** be consulted with the Program Manager ahead of time to determine if such activity is appropriate.

There are so many activities for the match to engage and allow for positive relationship building. We encourage all of our matches to use our mobile **GoBig App** as resource to find these activities. The venue and mission sections are excellent ways to search for those suggested activities which will cultivate match success and offer special discounts as well.

Be sure to communicate with the Program Manager, always for any support, questions and/or additional information your match may need to be successful!
